Independent Auditors' Report

To the Board of Directors Avoyelles Progress Action Committee, Inc. Marksville, Louislana

We have audited the accompanying statement of financial position of the Avoyelles Progress Action Committee, Inc. (a nonprofit organization) as of September 30, 2002, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Avoyelles Progress Action Committee, Inc., as of September 30, 2002, and the results of operations for the year then ended in conformity with generally accepted accounting principles.

In accordance with <u>Government Auditing Standards</u>, we have also issued a report dated March 28, 2003, on our consideration of Avoyelles Progress Action Committee, Inc.'s internal control structure and a report dated March 28, 2003 on its compliance with laws and regulations. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> and should be read in conjunction with this report in considering the results of our audit.

Board of Directors Page 2 March 28, 2003

Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying financial information listed as supplementary information in the table of contents is presented for the purpose of additional analysis and is not a required part of the financial statements of the Avoyelles Progress Action Committee, inc. The accompanying schedule of expenditures of federal awards contained in Appendix A is presented for purposes of additional analysis as required by U. S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is not a required part of the financial statements of the Avoyelles Progress Action Committee, Inc. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF GENERAL PURPOSE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Avoyelles Progress Action Committee, Inc Marksville, Louisiana

We have audited the general purpose financial statements of Avoyelles Progress Action Committee, Inc, for the year ended September 30, 2002, and have issued our report thereon dated March 28, 2003. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether Avoyelles Progress Action Committee, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance that is required to be reported under <u>Government Auditing Standards</u> and is described in the accompanying schedule of findings and questioned costs as Item 02-01.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Avoyelles Progress Action Committee, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the general-purpose financial statements and not to provide assurance on the internal control structure over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving internal control over financial reporting and its operation that we consider to be material weaknesses. We did noted other matters involving the internal control over financial reporting that we have reported to the management of the Avoyelles Progress Action Committee, Inc in a separate letter dated March 28, 2003.

NOTES TO THE FINANCIAL STATEMENTS

NOTE A - NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization:

The Avoyelles Progress Action Committee, Inc. (APAC) was organized in 1965, its purpose being to serve as a community action agency for the parish of Avoyelles, Louisiana. Its goal is to provide a central agency to focus on available local, state, federal and private resources to assist the disadvantage residents of Avoyelles Parish.

The Avoyelles Progress Action Committee, Inc. is a nonprofit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes.

Nature of Activities:

The primary funding sources and their purposes of APAC are:

Direct Federal Programs

Department of Health & Human Services:

Head Start - a full year (nine month) program which provides comprehensive early child development for disadvantaged, pre-school children.

Indirect Federal Programs

Department of Agriculture:

The Child Care Food Program operates in conjunction with the Head Start Program. This program allows APAC to operate a meal program for qualifying students on a cost reimbursement basis.

Department of Energy:

The Weatherization Assistance for Low Income Persons Program provides services to assist needy individuals with home energy conservation measures.

Department of Health & Human Services:

The Community Services Block Grant and the Emergency Community Services for the Homeless Programs help to defray a portion of APAC's administrative costs as well to provide various program services to the needy.

The Low Income Home Energy Assistance Program (LIHEAP) provides assistance to low income households in the payment of home utility costs during high energy usage periods of the year.

NOTE A - NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

Nature of Activities (continued):

Indirect Federal Programs (continued):

Department of Social Services:

The Temporary Assistance for Needy Families Program (TANF) provides assistance to low income households in the payment of home utility costs.

Non-Federal Programs

This accounts for general fund and state appropriated monies to cover other administrative costs of operating the APAC agency. During the year ended September 30, 2002, APAC received no state appropriation monies.

Method of Accounting:

The financial statements of APAC have been prepared utilizing the accrual basis of accounting.

Financial Statement Presentation:

In 1996, APAC adopted Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations." Under SFAS No. 117, APAC is required to report information regarding its financial position and activities according to three classes of net assets (unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets) based upon the existence or absence of donor-imposed restrictions. As permitted by the new standard, APAC has discontinued its use of fund accounting and has, accordingly, reclassified its financial statements to present classes of net assets. The reclassification had no cumulative effect on the change in net assets for the year ended September 30, 2002.

APAC also adopted SFAS No. 116, "Accounting for Contributions Received and Contributions Made," in 1996. In accordance with SFAS No. 116, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. The adoption had no cumulative effect on net assets at the date of the adoption. In addition, APAC has not received any contributions with donor-imposed restrictions that would result in temporarily or permanently restricted net assets.

Cash Equivalents:

Cash equivalents consist of short-term, highly liquid investments which are readily convertible into cash within ninety (90) days of purchase.

Support and Revenue:

Grant revenues are recognized as follows:

For entitlement grants in which unexpended funds are subjected to future reprogramming, the entire amount of the grant award is recognized over the life of the grant. In cases where such grants span the Agency's fiscal year end, revenues are recognized in an amount equal to expenditures in the initial portion of the grant, and any excess is recognized in the period in which the grant terminates.

NOTE A - NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

Support and Revenue (continued):

In cases of cost reimbursement grants where unexpended funds revert to the grantor at the conclusion of the grant period, grant revenues are recognized in an amount equal to expenditures, up to the maximum amount of the grant awarded.

In the case of unrestricted grants, the entire amount of the grant award is recognized as revenue upon receipt.

Expenditures:

Purchases of consumables and supplies are recorded as expenditures in the grant period when purchased. Should grant funding cease, such equipment could be returned to the grantor. Because of these expenditures, a perpetual record is maintained on those assets acquired.

Totals - Memo Only

The total columns on the statements are captioned Memo Only to indicate that they are presented only to facilitate financial analysis. Data in these columns does not present financial position or results of operations, in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation.

NOTE B - PROPERTY AND EQUIPMENT

Property and equipment acquired by APAC are considered to be owned by APAC. However, federal funding sources may maintain an equitable interest in the property purchased with grant monies, as well as the right to determine the use of any proceeds from the sale of these assets. The equitable interest maintained by the grantor agency decreases as the age of the asset increases.

As of September 30, 2002, all property and equipment owned by APAC has been acquired with grant monies.

Property and equipment consist of the following:

	Balance <u>9/30/01</u>	<u>Additions</u>	<u>Deletions</u>	Balance <u>9/30/02</u>

NOTE B - PROPERTY AND EQUIPMENT (continued)

SFAS No. 93, effective for fiscal years beginning after May 15, 1988, requires the recognition of depreciation in the financial statements of a non-profit organization. This statement provides that the nonprofit organization adopt accounting changes needed to conform to the statement's provisions.

Effective for the year ended September 30, 2002, APAC has adopted the provisions of SFAS No. 93. Depreciation is calculated using the straight-line method with assets lives of 5 to 10 years.

NOTE C - CONSTRUCTION IN PROGRESS

At September 30, 2002, construction was underway for a new APAC Headstart Cinderella center in Marksville. At September 30, 2002 construction costs totaled \$49,935 out of an estimated total project cost of \$183,311. Financing for the project is being provided by a construction loan from the Union Bank.

NOTE D - DONATED SERVICES, MATERIAL, AND FACILITIES

Valuation of in-kind services is made at current market rates for services, at not more than the federal minimum wage plus applicable fringe costs.

Donations of materials and facilities use are valued at the estimated fair market value of the material or facility at the time of the donation.

Under the plan, the APAC contributes a discretionary matching contribution equal to a percentage of the amount of the salary reduction elected by the employee, up to 5% of compensation. The employee may elect a salary reduction up to the maximum annual allowable amount established by applicable Internal Revenue Code Sections. During the year ended September 30, 2002, APAC contributed \$32,656, as the agency's match, to the plan.

NOTE K - COMMITMENTS AND CONTINGENCIES

APAC leases various buildings on a one-year, renewable basis. The buildings are used primarily for Head Start facilities.

At September 30, 2002, APAC is involved in two lawsuits, one claiming racial and/or sexual discrimination and the other claiming payment for accumulated leave. In all cases legal counsel for APAC has indicated that the outcome of the litigation is uncertain at the present time, and the potential claims against APAC not covered by insurance are uncertain at this time, but are not expected to exceed \$105,000.

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Board of Directors Avoyelles Progress Action Committee, Inc Marksville, Louisiana

Compliance

We have audited the compliance of the Avoyelles Progress Action Committee, Inc with the types of compliance requirements described in the <u>U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement</u> that are applicable to each of its major federal programs for the year ended September 30, 2002. Avoyelles Progress Action Committee, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of Avoyelles Progress Action Committee, Inc.'s management. Our responsibility is to express an opinion on Avoyelles Progress Action Committee, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States; and Office of Management and Budget (OMB) Circular A-1338, <u>Audits of State and Local Governments</u>, and <u>Non-Profit Organizations</u>. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Avoyelles Progress Action Committee, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Avoyelles Progress Action Committee, Inc.'s compliance with those requirements.

In our opinion, Avoyelles Progress Action Committee, Inc complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended September 30, 2002. However, the results of our auditing procedures disclosed an instance on noncompliance with requirements that are required to be reported in accordance with <u>Government Auditing Standards</u>, identified as Item 02-01 on the Schedule of Findings and Questioned Costs.

Internal Control Over Compliance

The management of the Avoyelles Progress Action Committee, Inc is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Avoyelles Progress Action Committee, Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Society of Louisiana Certified Public Accountants Board of Directors Page 2 March 28, 2003

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses. However, we did note other matters involving the internal control over financial reporting that we have reported to the management of the Avoyelles Progress Action Committee, Inc in a separate letter dated March 28, 2003.

This report is intended solely for the information and use of the Board of Directors and the management of the Avoyelles Progress Action Committee, Inc., State of Louisiana and Federal granting agencies, and the Legislative Auditor of the State of Louisiana and is not intended to be and should not be used by anyone other than these specified parties.

During the fiscal year ended June 30, 2001, the Agency had funds on deposit with two local banks that exceeded the amount of FDIC insurance coverage. These deficiencies were corrected as soon as they were brought to the attention of the institutions' representatives by the director. Management will analyze deposit collateral on a regular basis to ensure that the situation does not occur again.

To Board of Directors Avoyelles Progress Action Committee, Inc Marksville, Louisiana

Memorandum Re: Comment to Improve the Avoyelles Progress Action Committee, Inc.'s Operations

Item ML02-01

Finding:

The Agency operates centralized payroll and accounts payable systems. Each program reimburses the payroll and accounts payable accounts for their share of the disbursements. During the course of the audit it was noted in a few instances, that the disbursements from one program and the receipts by the centralized payroll or accounts payable accounts were not recorded in the same accounting period. All transactions between programs must be recorded in the proper accounting periods to provide accurate accounting and proper period cutoff.

Management's Response:

The Agency's accountant will reconcile all inter-program transfers/reimbursements as they are made to verify proper period cutoff. All accounts will be reconciled each month and any differences noted and reconciled.

Item ML02-02

Finding:

The accounts payable subsidiary ledger and the bank reconciliations are not agreed to the general ledger on a regular basis. Several differences between the subsidiary ledgers and the general ledgers were noted during the audit. All subsidiary ledgers and reconciliations must be agreed to the general ledger in every accounting period to ensure accurate accounting records and program reports.

Management's Response:

The Agency's accountant will continue to perform bank reconciliations on a monthly basis and will verify them against the general ledger. Also the accounts payable subsidiary ledger will be agreed to the general ledger on a monthly basis. Any differences will be identified and corrections made as needed.
